

developments in agricultural and pdf

agricultural development will be futile. It observes that African agriculture remains largely traditional and concentrated in the hands of smallholders and pastoralists, and the neglect of agriculture has resulted to the mass exodus of rural dwellers and in turn has made the rural area qualitatively and quantitatively depopulated, and progressively less attractive for socio-economic investment. It discusses the problems and challenges posed by this and government

The Challenges of Agriculture and Rural Development in

agricultural and rural development. Among other things, this chapter discusses the major achievements of economic developments and the changing role of agriculture in the country. In the last section, major challenges and opportunities are identified for the further development of the agricultural sector in China.
